

BSP Visit & BPR

ISSUE: 4, 15th December 2016

SC Oilfields & Logistics Sdn Bhd

“SCOL performance exceeds his expectations”
Igor Zhidkikh (Head of Wireline)

BSP SITE VISIT

On 1st December 2016, SCOL team hosted BSP management consisting of Mr Igor Zhidkikh (Head of Wireline), Mr Sharif Currey (Teamlead Projects CWI) and Ms Yazmin Elejalde (TWB/51), BSP Contract Holder for SCOL at our premises. The purpose of this visit was to understand SCOL QMS, which covers our crew competency, equipment, documentation and quality management system. This visit started with an HSE briefing followed by a presentation. After the presentation, the team toured our competency library, gauges department, technical library and workshop.

Business Performance Review (BPR)

On 24th November 2016, SCOL and BSP Contract Holder, Yazmin Elejalde, joined together to present the new template of the BPR to the BSP Contract Owner and the BSP higher management. This presentation includes SCOL staircase highlights, which shows both completed and on-going tasks for the improvement of SCOL performance in year 2017.

SCOL HSE

SC Oilfields will be implementing a Smoke Free policy starting on January 1, 2017 to comply with the Brunei Tobacco Notification 2012. Smoking inside SC Oilfields & SC Company compounds are strictly prohibited. Smokers may smoke outside the compounds at their own risk.

PROHIBITION OF DESIGNATED SMOKING AREAS
Provision of designated smoking areas in office premises is prohibited since 1 March 2012.

Tobacco (Prohibition in Certain Places) Notification, 2007

2. Office premises, except that the manager of such premises may designate for smoking, any enclosed room therein –

- (a) which is a lavatory, or
- (b) which is not a washroom, pantry or other common area to which persons employed in such premises have access.

Tobacco (Prohibition in Certain Places)(Amendment) Notification, 2012

- 2. Office premises.
- 3. Any area in an educational institution or higher educational institution.

SCOL QAQC

On 1st December 2016, SCOL started the practice of the new Pakat Card, which consists of both the positive and negative of the safety and quality of SCOL services.
